THE HOME-COMER.

I saw in the home paper from Kentucky t'other day
That natives of Kentucky from places far away
Was comin' home in June some time to spend a day or two
Among the friends and relatives that they once loved and knew.

Not all will see and greet them, for they're fadin' on by one,
Like the fadin' of the midnight stars before the comin' sun,
Like the witherin' of the meadow flowers afore the winter's breath
They were roaped—but they shall grow—by the sickle of grim Death.

I'd like to turn Time backward and live them old days o'er—
Them happy days of childhood spent on fair Ohio's shore—

When the future years before me was shinin' clear an' bright,
And the birds sang, oh, so sweetly! I thought there'd be no night.

"But who can live life over?" Youth is gone forever now.

"Twill not be long till many years will o'er my shoulders bow;

The frosts of many winters will silver o'er my head,
And not so very long from now my friends will all be dead.

So I guess I'll start back homeward toward the scene of better days,
Where in life's sunshiny springtime the birds sang sweetest lays;

Back to dear old Kentucky, where the happy mockingbird trills,
For he's glad he's in Kentucky 'mong her sheltering, green-clad hills.

—Frazie Kirk.

"HOME-COMING"

Meeting Yesterday Afternoon of the General Committee

The general Executive Committee on the Home-Coming event met the Publicity and Invitation Committees at Sallee & Slattery's law office at 2 o'clock yesterday afternoon. Those present were John Duley, John J. Altmeier, Robert A. Cochran, Millard Merz, A. M. Janury, Prof. D. S. Clinger, W. H. Lynch and Thomas D. Slattery.

Chairman C. L. Sallee was unable to meet with the Committee, having been called to Brooksville on business.

Twelve thousand invitations are being printed and will be obtainable at THE LEDGER and Bulletin Office and from all the druggists and merchants generally.

The advisability of appointing a Ladies' Auxiliary Committee was under discussion and the appointment will follow soon.

The ever-absorbing and live question of something to eat, where to get it, how to serve it, when and where, will doubtless be passed over to the women for solution, excepting the Kentucky Bangoo, which will be made and served "red hot" by a chef of experience and fame.

The Committee will make ample provision to feed ten thousand people.

Mr. Millard Merz reports liberal contributions

by all the citizens called upon, and the Finance Committee will get around to see you as soon as possible. In the meantime you can facilitate the good work by handing your subscription to the Committee.

It has been suggested for one feature of the celebration that a chorus composed of all the public and private school children in Mason county sing "My Old Kentucky Home."

The Committee will meet again at the same place at 2 o'clock this afternoon.

The State Homeopathic Medical Society is convened in annual session at Lexington.

WONDER if it was Union-made Dynamite with which MORAN and WEIR attempted to blow up that non-Union factory in New York?

I NOTICE where a fellow down in Cincinnati advertises a whole set of teeth for \$3—the kind that a Maysville Dentist charges \$15 for. Of course one ought to patronize the cheapest jackleg that he can find!

I was yesterday officially notified to be very cautious in using the name of a rather young member of the honorable Board of Council in

connection with affairs which deeply concern the public. I presume the warning was "official," in that it was given in the office of the Mayor, the Police Judge and the Chief of Police, each of those officials being within eyeshot and earshot. And so we are to have a physical censorship as well as a financial boycott of the Press. Those who have been temporarily placed in charge of public affairs are to be immune from criticism on account of their public acts; and woe to the Editor who dares to trench on forbidden ground. And yet I have seen Councilmen and numberless other city officials come and go—while the newspaper goes right along transacting business at the old stand!

The Kentucky Methodist Conference Woman's Foreign Missionary Society will be held in Covington June 8th to 12th.

SPEAKING of the bursting of the Paper Trust, First Vice-President GEORGE A. WHITING said:

"The newspaper publishers will find to their cost that they have killed the goose that laid the golden egg."

Well, GEORGE, I never did have much of a hankering after "goose eggs" nohow; and as this old goose insisted on laying golden eggs in your basket, guess the boys ain't a-goin' to do much weepin'.

WHILST a very brilliant man intellectually, the late CARL SCHURZ didn't stick to one thing long enough to do much good. He was a mediocre Minister to Spain, which he gave up to become a very poor Major General in the Civil War. He was by turns a Lincoln Republican, a Horace Greeley Democrat, a Hayes Republican, a Cleveland Democrat, a McKinley Republican, and his last "flop" was into Judge Parker's Democratic soup tureen. About the only "ism" that he didn't embrace was the Bryanistic free silver fad. He had held so many offices that he had forgotten the count; and, disgusted, he went away.

IT WASN'T HIS.

An urchin who occasionally ventured behind the scenes of a theater on the lower East Side of New York during rehearsals was one day observed by one of the actors sitting in a corner, lovingly eyeing a huge sandwich which he held in his grimy hands, says Harper's Weekly. He regarded it for a few moments, and then, cautiously lifting the top layer, extracted a piece of pickle and ate it; then he closed it down again very carefully and accurately made all as before. A few moments later he repeated the performance, taking out another piece of pickle and a small fragment of meat, and again carefully restoring the sandwich to its original form. After another short interval he took out more pickle and more meat, so that now there was very little of the original middle layer left, and again he closed it up carefully.

"What are you doing that for, Tommy?" the actor asked. "That's no way to eat a sandwich. Why don't you eat it all if you want it, and not pick at it like that?"

Tommy lifted a scornful eye to the actor's uncomprehending face and muttered laconically:

"Tain't mine."

The Mayday strike in Russia has ended. The workmen of St. Petersburg and generally throughout the country have resumed work.

WHEN DRIVEN TO DRINK

Try our soda water. We've not yet been able to find any one who could find fault with it. We never expect to, for we know that no one can serve a more perfect soda than ours. We are extravagant in the purchase of our fountain supplies, buying the finest materials that money will procure.

Then in every detail of the making and serving we insist on that care and cleanliness that results in perfection.

FEARIS.

It's getting very dusty. Alva West went to the city Saturday. The frosts killed considerable tree foliage. Some farmers planted corn last week in the dust.

The gardens got a black eye during last week's frosts.

If the locust bloom is any sign there will be a great corn crop this season.

Wilson Fearis and Pat Fry went to the city Sunday on the excursion train.

Charles Cox had a horse badly snagged Sunday. Dr. C. B. patched it up some.

Optimist doctrine won't always prove satisfactory to the old farmer and gardeners.

Elder Thomas P. Degman and wife of Springdale were calling here Monday. Brother D. was on legal business.

There was a rule adopted by Croxton Post, G. A. R., a few years ago that it meet on the Camp-ground during spring and summer, so, Dr. Bowman, you must meet the others half way the 2d day of June at 2 p.m.

The ad valorem system of keeping up roads in the state of Lewis so far has proved a crafty humbug and getting worse all the time. The condition of roads in Lewis county is a terrible commentary on the intelligent people, especially when the metal is near at hand on more than two-thirds of the roads. The question is, why can't Lewis county have a better road system?

Winchester's \$150,000 hotel, the Brown-Proctor, has opened for business, with Colonel W. H. Boswell, formerly of this city, in charge.

At its regular meeting last night Washington Camp No. 3, P. O. S. of A., initiated one candidate and received five applications for membership.

Hardly any one who has the pleasure of his acquaintance would for a moment take our urbane and popular County Clerk, C. L. Wood, for a hayseed, but the facts tend to show that he is somewhat on that order. If you have a gold brick scheme, or even asparagus, you can't work off on some other fellow try Clarence; he is easy game.

SOCIAL EVENTS

Mrs. George Barbour and Miss Barbour entertained the Bridge Whist Club yesterday evening with a 6 o'clock dinner.

The Afternoon Card Club will be entertained today by the Misses Rogers of Sutton street.

In porous glass, which is made in France, the holes are so small that neither dust nor draught can enter, and yet the ventilation is said to be excellent.

It is all right to talk about beauty habits, but most women are too busy hustling and have no time to cultivate beauty habits. Therefore they take Hollister's Rocky Mountain Tea, 35 cents, Tea or Tablets, J. Jas. Wood & Son.

Notice is hereby given all people not to deposit any trash or other waste on the right-of-way of any turnpike or dirt road in Mason county. People in cutting weeds and trimming trees should be careful and not let the weeds brush fall where it is likely to stop up the ditch. Hogs, cattle or other stock must not be fed on road or road inclinations.

It is further ordered that at any point on said turnpike or dirt roads where fence has been set and interferes with the working of the said roads the parties owning said fence shall, when ordered by the Superintendent or Assistant, remove said fence so as not to interfere with working of the roads.

All fencing, when reset or replaced, must be removed from franchise of roads unless in the judgment of the Superintendent or Assistant that it would be necessary for travel to let it come near the traveled part of road.

These orders are final and we expect our Superintendents to see that they are complied with.

By order of Turnpike Advisory Board.
